- It's the snow.** The Big White motto is "It's the Snow", and for good reason. The resort receives over 750cm (26.5 ft) of light, dry, fluffy powder snow annually. Come and ski or ride amongst the world-famous 'snow ghosts' – the frosty, snow-laden trees.

- Daytime & après-ski family entertainment.** Big White Ski Resort offers family-friendly activities and events for all ages. Everything is just steps away from your accommodation. Enjoy live entertainment, go skating, play hockey, try tubing, and take a sleigh ride. Live the adventure with snowmobiling or dog sledding, then gather around the bonfire to watch the fireworks.

Big White Ski Resort

## It's the snow!

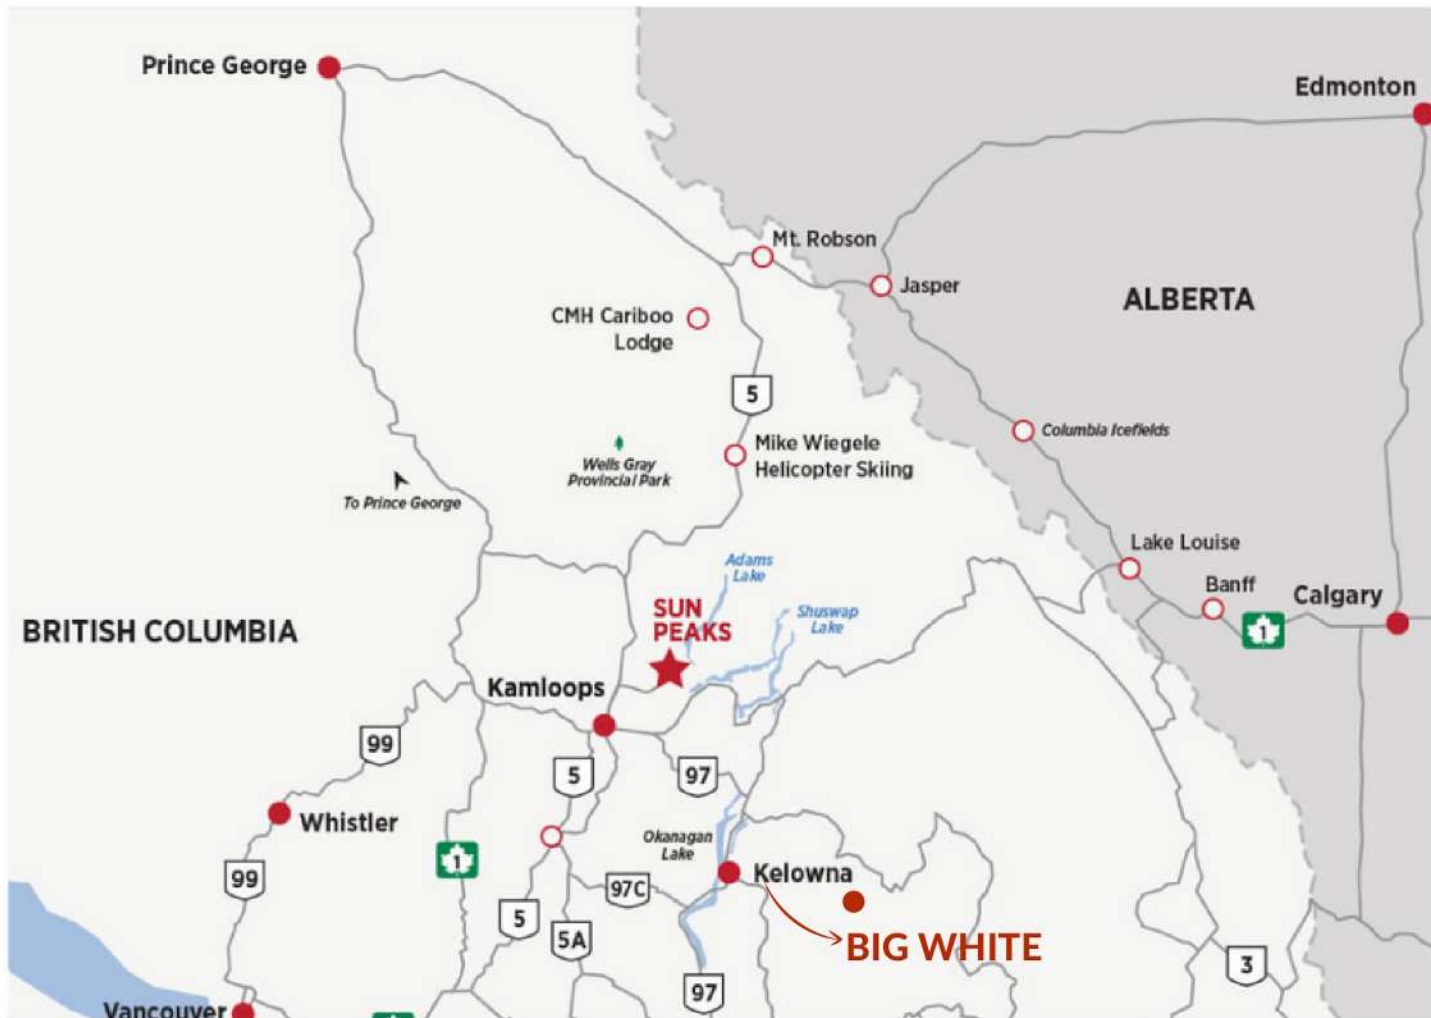

Big White's natural snowfall is so reliable that they do not have any snow-making facilities other than in their terrain park. Skiers and snowboarders flock to Big White every winter to enjoy the light, dry fluffy champagne powder snow.

We love that the Ski School offer a fabulous first tracks program to get first access to overnight snowfalls and groomed runs well before the lifts officially open.

We love the variety of terrain. It can challenge the experts on the Cliff and provide thrill seekers with the adrenalin rush, exploring chutes and glades. Big White gently welcomes beginners and intermediates at dedicated 'first timers' areas and allows confident progression, offering green and blue runs accessible from every chairlift.

There are 16 rail and box features installed which are sized small, medium and large. The Park offers a variety of jumps and has been the venue for both Olympic team preparation and World Championship Events.

Take a spin on your ice skates at Canada's highest outdoor skating rink, surrounded by the breathtaking view of snow-covered trees and picturesque mountains. Whether you are looking for leisurely ice skating with family and friends or a friendly pickup hockey game with the locals, this world-class rink is for you. Take Lara's Gondola to Happy Valley, to access the ice rink and the Happy Valley Day Lodge to hire skates.

## GEM LAKE

Getting around the Gem Lake ski area is a fantastic adventure. The Gem, as it is known, certainly lives up to its name, being the farthest ski area from the Village Centre. The Gem Lake high-speed quad chair is located on the western side of Big White. The longest run is 7.2 km (4.5 miles). This run, "Around the World", runs from the top of the Alpine T-Bar to the bottom of Gem Lake. You must try the local delicacy, "Beaver Tails" – hot, flat sugared donuts – available from the day lodge caravan at the base of the Gem.

## VINEYARD TOUR

Sit back and relax on a wine tour with us in the spectacular Okanagan Valley Wine Country. This area has been voted the 2nd best area for wineries in the World, but we know it's No.1. Enjoy a day of wine tasting in the most beautiful settings and judge for yourself. We offer daily Kelowna wine tours to East Kelowna and West Kelowna, Summerland, Lake Country, Penticton and Naramata.

## FREE MOUNTAIN TOURS

Look for the Snow Hosts in yellow jackets each morning in the Village Centre at 10:15 am. They will show you the best ski and snowboarding spots on Big White with a complimentary mountain tour. This tour will open your eyes to the locals' favourite ski and snowboard runs, providing you with the ins and outs of Big White Resort. The hosts are also positioned at the top of the Bullet, Black Forest and Snow Ghost Chairlift each morning to provide up-to-the-minute info on grooming, where to find the powder stashes and general safety. Must be booked [online](#) in advance.

# ACTIVITIES

Lots of snow activities: Sleigh rides, snowmobiling, dog sledding, fat biking, ice climbing tower, nordic skiing and more. We can help with everything.

## SNOW MOBILING

Snowmobiling is an exhilarating way to enjoy Big White's stunning backcountry. A variety of snowmobile tours take place on trails catered to all skill levels. Drive your own snowmobile or double up with a friend and see Big White in a new and exciting way. Bookings are recommended, as this popular activity sells out quickly.

## TUBING

Feel the wind in your face as you zoom down our thrilling tube park. Located in the Happy Valley Adventure Centre, the Big White Tube Park offers tons of fun for all ages. No skill or equipment is required – just a sense of adventure and a desire for excitement. The Tube Park has 5 specially-groomed lanes that allow thrill-seekers to enjoy a high-speed ride down the slopes, even after the lifts close. Our new tube lift capacity accommodates up to 50 tube riders per hour to maximize your fun!

## SLEIGH RIDES

Take a step back in time with a ride on an old-fashioned horse-drawn sleigh in the winter wonderland of Big White. Cozy up under a blanket and enjoy hot chocolate while gliding through snow-covered forest trails during your sleigh ride, a fantastic experience with the horses. Some tours include dinner at a quaint log cabin in the forest. This is the perfect family activity as all ages are welcome.

## KELOWNA ROCKETS HOCKEY

This is a must-do evening activity! Experience the excitement of the Kelowna Rockets WHL hockey team in action. Known for their exciting, gritty, Canadian hockey style, Rockets games are a fun time for all. Witness the stars of tomorrow fighting for a spot in the NHL. Big White concierge organizes everything — game day tickets and transportation to Prospera Place indoor ice arena in Kelowna. These games sell out; book early. A Local's tip: The locals always call it "hockey", never "ice hockey".
